COMPETING LEAGUES

WEDNESDAY LEAGUE NIGHT IMPORTANT DATES:

Wednesday, May 11th: Men's League Draft
Wednesday, May 18th: First League Night
Wednesday, September 14th: Final League Night
Wednesday, September 21st: Super Stag & Awards Banquet

**** NEW ****

Thursday, September 29th:
Year End Ryder Cup Competition
Top Wednesday Night Team vs.
Top Thursday Night Team

FORMAT:

The structure is based on 45 players signing up for the 2011 Men's League program. Team size and prizes will be determined/dependent on league participation. With 45 players, there will be 9 teams of 5 players in the League. The Front Nine will be played on the majority of league nights and the Back Nine will be played every third week.

QUOTA POINTS:

Quota Points (Individual/Team): "Most Points Win." This format was chosen, since it is the best equalizer for golfers of all abilities. Quota points will be added to each individual's 9-hole handicap. A current handicap report will be printed on Wednesday evenings and handicaps will be taken from this report.

THE WAY IT WORKS:

0 Points - Gross Double Bogey +
1 Point - Gross Bogey
2 Points - Gross Par
4 Points - Gross Birdie
8 Points - Gross Eagle

TEAM SCORING:

The top three (3) quota point scores from each team will be combined to formulate a team score every league night. The two (2) lowest scores will be tossed out. Teams that are short players on any given Wednesday will use 90% of the weekly quota point average as their 'ghost' scores.

EXAMPLE:

Mr. John Smith is a 17 handicap, therefore his 9 Hole League Handicap is 8.5. If he accumulates 13 Quota Points over 9 Holes, then his quota point total for this week would be 13 (Quota Points) + 8.5 (Handicap) for a total of 21.5 Points.

THIS YEAR, THE RACE FOR FIRST PLACE ISN'T OVER UNTIL THE LAST PUTT IS MADE.

LEAGUE DATE NOTICES
